

•Field Physiology

•Name Eunhee Ahn

•Title Assistant Professor

•Office College of Medicine, 3410

•Tel 033-248-2583

•email eunhee.ahn@hallym.ac.kr

Education background

2014

Doctoral Degree, Hallym University

PI: Soo Young Choi

Thesis title: Neuroprotective effects of cell permeable proteins for Parkinson's disease

2012

Master Degree, Hallym University

PI: Soo Young Choi

Thesis title: Anti-inflammatory effect of PEP-1-Ribosomal protein S3 (rpS3) on skin inflammation induced by TPA

2010

Bachelor Degree, Hallym University

PI: Soo Young Choi

Major careers

Primary Appointment:

2021-Present

Assistant Professor (Tenure Track), Department of Physiology, College of Medicine, Hallym University

Previous Training & Professional Appointments:

2020-2021

Instructor, Department of Pathology and Laboratory Medicine, Emory School of Medicine

2016-2020

Postdoc Fellow, Department of Pathology and Laboratory Medicine, Emory School of Medicine

2015-2016

Postdoc Fellow, Dept. of Neurology, Molecular Neurogenetics Units Center for Human Genetic Research, Massachusetts General Hospital, Harvard Medical School,

Award and Grant

1. Nrf (The National Research Foundation, South Korea), The Best Young Scientist Grant, 2022-2027 (KRW 750,000,000)
2. Nrf (The National Research Foundation, South Korea), Basic Research, Pharmacology Grant, 2021-2022

(KRW 55,000,000)

3. National Health Insurance Service, Medical School Support Grant 2021. July-2021.December (KRW 12,000,000)
4. Sponsored AAAS/Science Memberships Award, Emory University School of Medicine (U.S.) 2020-2022
5. CHDI Foundation Support, Harvard Medical School(U.S.), 2015-2016 (\$ 42,000.60)
6. Hallym University, Best Paper Award, 2010
7. National Science Gifted, Program Drug Development Competition Winner (South Korea) 2009-2010 (KRW 30,000,000)

Special Experiences

1. The Korean Society for Brain and Neural Sciences, Regular Member, 2022~
2. Korean Society for Molecular and Cellular Biology, Regular Member, 2022~
3. The Korean Society for Glycoscience, International Cooperation Member, 2022~
4. Korean Dementia Association, Regular Member, 2021~
5. K-BioX, Emory University, 2020-2022
6. Instructor, Emory University School of Medicine, Dept. of Neuropathology 2019.12-2021.01.31
7. Postdoc Fellow Emory University School of Medicine, Dept. of Neuropathology 2016-2019.12
8. Postdoc Fellow Harvard Medical School, Dept. of Neurology 2015.03-2016.06
