

• Field 조직공학
• Name Kim, Soon Hee
• Title 조교수

• Office 한림중개의과학연구원 415호
• Tel 033-248-2509
• email shkim@hallym.ac.kr

Education background

2006 - 2009 : Advanced Organic Materials Engineering, Chonbuk National University (Ph.D.)
2004 - 2006 : Advanced Organic Materials Engineering, Chonbuk National University (M.S.)
1999 - 2004 : PolymerNano Science & Technology, Chonbuk National University (B.S.)

Major careers

2014 - 2016 : Research Fellow, Wake Forest Institute for Regenerative Medicine, Wake Forest School of Medicine, Winston-Salem, NC, USA
2012 - 2014 : Research Assistant Professor, Cell Therapy Center, Ajou University Medical Center, Suwon, Gyonggi-do, South Korea
2009.10 - 2012 : Research Fellow, Division of Hematology-Oncology, Center for Molecular Imaging, Beth Israel Deaconess Medical Center, Harvard Medical School, Boston, MA, USA
2004 - 2005 : Research Assistant, Biomaterials & Tissue Engineering Laboratory, Korea Research Institute of Chemical Technology (KRICT), Daejeon, South Korea

Studies & Books

■ 논문
